

June 8 - 15, 2013

6 women, two from England, two from South Africa, two from Vancouver, Canada. The first time for me all on a "Gullet". We had a wonderful time. Janir, the skipper, Janir, the cook and Jure took wonderful care of us. Taking us to lovely small ports, giving us history lessons. Always guiding us to the best restaurants, walks, beaches. Janir the cook made us wonderful food. We all gained much weight! Jure was always there to help us in getting us on and off the boat (no easy feat!). We will all miss one lovely "Gullet". The best holiday ever.
